

Size Guide

Solène presents you the Atelier's method to find your ring size thanks to this nice ring sizer*!

First step: download and print this full size sheet. To be sure, just measure the scale below to make sure it is 5 cm.

Step Two: grab one of your favorite rings and make sure it fits the finger you will be wearing your Atelier ring on.

Step Three: place it on the circles below. When you can clearly see the outer line graze the inside of your ring, you have found your size!

*Non-contractual ring sizer
